ACT ON IT

An application connecting organizations on campus
who are looking for support with urgent action items

Nina-Marie Amadeo, Maggie Jennings & Jessica Lee
CS220 Human-Computer Interaction

USER PERSONAS

Organizer

Organizers have experience gathering groups of people together and sending them information or tasks to help out on. They know what needs to be done and need help getting things accomplished.

Casual Support

Casual Supports are students who want to receive information on tasks every once in a while to see how they can help out with causes of their choice and identify ways to give back to the Wellesley community.

Frequent Support

Frequent Supports are students who have causes that they are passionate about and want to receive information regularly on how they can help and ways they can give back to the Wellesley community.

VICTORIA
